

Ten Pin Alley is donating 2% of sales throughout the year to support special organizations. You will help us make a difference with every visit. You will have the option of selecting which organization receives the percentage when settling your bill. There are no added fees or additional charges.

Each month we'll post the totals donated to our partners for 2018. As the months go by we'll include grand totals for each group as well. For additional information on each of these great organizations, please visit the Heart & Bowl section of our website.
