Entertainment

Bowling

Divide up your group for some friendly competition. Our center features 24 total state of the art and comfortable lanes each with couches, touch screen scoring and fun game options. Each lane can host up to 8 bowlers, and if you can provide their names and shoe sizes in advance, their names will be programmed and shoes waiting at the lanes.

Looking for something a little more private? Check out **The Brooklyn Side (pictured below)**, ideal for moderate to larger sized parties which features 8 lanes, two restrooms, full bar, party room and privacy from the remainder of the center.

The Brooklyn Side

A ball that hits on the opposite side of the player's normal pocket; usually refers to getting a strike in the "wrong" pocket. Called a "Brooklyn" in most locations of the country.

Laser Tag & Arcade

Be transported to an underwater scene straight out of Jules Verne's *20,000 Leagues Under the Sea*! You look up... a giant squid, and closing in is a hammerhead shark. You are surrounded by painted coral reefs that glow in the dark depths of the ocean. Take a dive in our original, two-story underwater-themed laser tag arena!

The arcade features over 40 games plus a redemption store where guests can cash out their credits in ease.

You may add laser tag missions and arcade cards to your party. We'll schedule specific times to get your group through the arena during your event. Your guests are welcome to entertain in the arcade at their leisure.

"Ten Pin Alley is all the child inside you wants. The bowling lanes are well maintained and customizable. The food is delicious and the service is helpful and attentive. The whole place is clean and new."

Patio

Our patio is over 3,000 square feet with plenty of additional seating, a fireplace and direct access to the main bar. The patio may be rented separately or included in your event depending on size and availability.
